In previous years a significant cost has been imposed upon the TSANZ due to a number of people registering for the ASM dinner and not arriving on the night. Therefore, the TSANZ is requesting a dinner co-payment of \$20 for Full Members and \$10 for Associate Members of the TSANZ towards the cost of the Saturday evening dinner. ANZSRS members (including non-TSANZ members) will have meals included, but will still be required to pay the \$10 co-payment.

Non-members are welcome to attend the conference but are required to pay for their meals (see registration form for meal costs). **It is important that we know how many people will be attending the meeting so that we can cater sufficiently.**

Accompanying persons:

Partners are welcome to attend the meeting but are required to pay for their meals (see registration form for costs). This is to be paid by Friday 12th September (see payment option below).

Payment:

We can accept cash, credit card (see remittance advice) and cheques (payable to the "Thoracic Society of Australia and New Zealand"). **All remittance is to be forwarded with registration and must be received by 5pm Friday 12th September.**
