Focus of Duties:

- To provide a consultant role in Respiratory Medicine.
- To provide inpatient and outpatient care to public and private patients of the Royal Hobart Hospital in Respiratory Medicine.
- To be involved in undergraduate and postgraduate teaching, and to be actively involved in research.
- To undertake quality improvement activities.

Duties:

1. Provide a consultant service to inpatients, and admit patients under their care.
2. Conduct outpatient clinics in Respiratory Medicine.
3. Participate in quality assurance programs in Respiratory Medicine.
4. Participate in undergraduate and postgraduate specialist trainee teaching.
5. Liaise with University of Tasmania, Department of Medicine and the Royal Australasian College of Physicians (RACP) in respect to the teaching of undergraduates and Registrars.
6. Maintain an active involvement in research.
7. Responsible to Staff Specialist – Respiratory (Head of Unit – Respiratory Medicine).
8. Participation in committees or working groups relevant to specialty training, interests and expertise.
9. Actively participate in and contribute to the organisation’s Quality & Safety and Work Health & Safety processes, including the development and implementation of safety systems, improvement initiatives and related training, ensuring that quality and safety improvement processes are in place and acted upon.
10. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

**Scope of Work Performed:**

Provide a high quality service under the direction of the relevant clinical service head to patients of Royal Hobart Hospital by:

- Providing appropriate clinical care to patients.
- Coordinating the follow up care of patients.
- Attending inpatients rounds and consulting clinics as scheduled.
- Contributing to an after-hours on-call service in accordance with a roster.
- Ensuring effective communication with care providers, especially General Practitioners, to promote continuity of patient care.

Demonstrate a commitment to continuous service improvement by:

- Participating in the development of clinical guidelines and protocols.
- Attending and participating in clinical and departmental meetings.
- Participating in departmental peer review and audit activities.
- Continuously reviewing existing practices and promoting change where required.
- Participating in quality improvement programs undertaken by the Royal Hobart Hospital.
- Participating in College-based programs directed towards maintaining the highest standards of professional care.
- Participating in personal performance appraisal.

Demonstrate a commitment to personal and professional development by:

- Attending conferences to maintain and enhance knowledge.
- Participating in programs designed to provide personal growth and development.

Demonstrate a commitment to the provision of a multidisciplinary approach to clinical care by:

- Working harmoniously with all members of the clinical team.
- Being responsive to the expectations and needs of both clinical and non-clinical colleagues.

Engender a consumer focus in service delivery by:

- Ensuring consumers are able to exercise their rights and responsibilities.
- Ensuring that patients and families are given adequate information upon which to base treatment decisions and follow up.
- Being responsive to complaints from patients and their relatives.
- Demonstrating empathy for patients and their families.

Provide appropriate support, direction and training to trainee medical officers, nurses and medical students by:
Providing appropriate direction and supervision to Registrars, Resident Medical Officers and Nurses.

Acting as a role model and mentor for trainee medical staff, nurses and medical students.

Participating in the education of trainee medical staff, nurses and medical students.

Promote and contribute to the maintenance of a safe working environment by:

- Complying with Work Health & Safety (WH&S) and welfare policies and other written arrangements for WH&S and welfare at work.
- Participating in relevant WH&S and welfare programs.
- Complying with any reasonable instruction and following safe-work practices in relation to WH&S and welfare at work.
- Participating in training programs and on the job training programs for WH&S and welfare.
- Reporting all incidents, accidents and observed hazards to their supervisor or manager as soon as possible and assisting in the investigations process.
- Supporting the role of the health and safety representatives by keeping them informed of any issues relating to WH&S and welfare in the workplace.
- Ensuring that you are not, by the consumption of alcohol or a drug, in such a state as to endanger your own health and safety at work or the health and safety of any other person.
- Participating in appraisals to evaluate WH&S performance.
- Comply at all times with THS policy and protocol requirements, in particular those relating to mandatory education, training and assessment.

**Essential Requirements:**

Registration/licences that are essential requirements of this role must remain current and valid at all times whilst employed in this role and the status of these may be checked at any time during employment. It is the employee’s responsibility to ensure that registration/licences remain current and to advise the Employer if their circumstances change. This includes notifying the Employer of any new criminal convictions and/or if a registration/licence is revoked, cancelled or has its conditions altered.

- The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

  1. Conviction checks in the following areas:
     a) crimes of violence
     b) sex related offences
     c) serious drug offences
     d) crimes involving dishonesty
  2. Identification check
  3. Disciplinary action in previous employment check.
Selection Criteria:

1. Sound knowledge of current specialty practice in Respiratory and General Medicine with recent experience in an acute hospital setting.

2. Demonstrated ability to provide Respiratory specialty services including but not limited to: Diagnostic procedures e.g. bronchoscopy, pleural aspiration; management and insertion of intercostal catheters; management and provision of acute non-invasive ventilation; Interpretation and reporting of lung function.

3. Demonstrated ability to work with a multi-disciplinary team of medical, nursing and allied health staff.

4. Demonstrated effective communication skills in dealing with patients, their relatives and professional colleagues.

5. Knowledge of continuous quality improvement activities relevant to practice within the clinical discipline.

6. Experience in and commitment to medical education and supervision of doctors, nursing and allied health staff.

7. Commitment to medical research activity.

Working Environment:

The Department of Health and Human Services (DHHS) and Tasmanian Health Service (THS) are committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health and human services system, and value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

State Service Principles and Code of Conduct: The minimum responsibilities required of officers and employees of the State Service are contained in the State Service Act 2000. The State Service Principles at Sections 7 and 8 outline both the way that employment is managed in the State Service and the standards expected of those who work in the State Service. The Code of Conduct at Section 9 reinforces and upholds the Principles by establishing standards of behaviour and conduct that apply to all employees and officers, including Heads of Agencies. Officers and employees who are found to have breached the Code of Conduct may have sanctions imposed.

Fraud Management: The Department of Health and Human Services and Tasmanian Health Service have a zero tolerance to fraud. Officers and employees must be aware of, and comply with, their Agency’s fraud prevention policy and procedure and it is the responsibility of all officers and employees to report any suspected fraudulent activity to their Director or line manager, the Director HR Management and Strategy or to the Manager Internal Audit. DHHS and THS are committed to minimising the occurrence of fraud through the development, implementation and regular review of fraud prevention, detection and response strategies, and are conscious of the need to protect employees who advise management of suspected fraudulent activity from reprisal or harassment, and to comply with its obligations under the Public Interest Disclosure Act 2002. Any matter determined to be of a fraudulent nature will be followed up and appropriate action will be taken. This may include having sanctions imposed under the State Service Act 2000.
Delegations: This position may exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements mandated by Statutory office holders including the Secretary. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position. DHHS and the THS have a zero tolerance in relation to fraud and in exercising any delegations attached to this role the occupant is responsible for the detection and prevention of fraud, misappropriation and other irregularities, and for ensuring that all officers and employees are aware of their Agency’s fraud policy and reporting procedures.

Blood borne viruses and immunisation: Health Care Workers (as defined by DHHS and THS policy) with the Department of Health and Human Services and Tasmanian Health Service are expected to comply with their Agency’s policies and procedures relating to blood borne viruses and immunisation, including against Hepatitis B. Depending on the level of risk associated with their duties, Health Care Workers may be required to demonstrate current immunity, previous seroconversion to Hepatitis B or immunity following vaccination.

Records and Confidentiality: Officers and employees of the Department of Health and Human Services and the Tasmanian Health Service are responsible and accountable for making proper records. Confidentiality must be maintained at all times and information must not be accessed or destroyed without proper authority.

Smoke-free: The Department of Health and Human Services and the Tasmanian Health Service are smoke-free work environments. Smoking is prohibited in all State Government workplaces, including vehicles and vessels.
